ABOUT

I am a Swiss and French Economics & Management Student at the University of Geneva. My major focuses are on Management, Economics, Finance, Accounting and Law. I also have skills in other fields, including computing and web development.

WORK EXPERIENCE

2019 –

Academic Work Switzerland

Consultant | Geneva

I have been working for Academic Work as a Consultant since January 2019 and have had the opportunity to work on various assignments, from the creation of an e-commerce website, to appointments scheduling. My latest projects:

- Administrative assistant at **Planzer** for 4 months
- Webmaster at **Europ'Sails** for 9 months

2018

Palexpo

Carrier | Geneva

I worked as a carrier for **Hotelis** on the occasion of the 28th **Salon International de la Haute Horlogerie** at Palexpo. I was in charge of all the crockery of the kitchen that served the VIPs.

- The SIHH is where the watch industry meets and where the year's new trends are revealed. It facilitates and optimises contacts between professionals in the fine watch sector and showcases the most desirable timepieces.

2017

BNP Paribas Switzerland

Trainee in Legal Affairs and Litigation | Geneva

I worked as a trainee in the **Legal Affairs and Litigation Office** of the Personal Finance Department. The core mission of the office was to take care of the contentious credits granted by the former bank UCB. My responsibilities included:

- Monitoring of legal proceedings across the globe
- Digitisation of legal documents and judicial decisions
- Classification, archiving and various administrative tasks inherent in the department

2016

BNP Paribas Switzerland

Trainee in Credit Risk Control | Geneva

I worked as a trainee in the **Credit Risk Control Office** of the Global Risk Management Department. The office's core mission was the risk analysis of corporate clients' lines of credit. My responsibilities included:

- Risk reporting
- Digitisation of credit reports and minutes
- Classification, archiving and various administrative tasks inherent in the department

2012 –

Dürst Webmaster

Founder | Gex

I founded Dürst Webmaster, a company specialised in digital communication and marketing. We deliver to companies, brands and individuals, strategic advice and solutions for their digital communication. My responsibilities include:

- Web development
- Marketing
- Business development and other responsibilities inherent in business management
